

## ENVIRONMENTAL POLICY

Lawson Group Limited inc. Lawson Demolition Limited and Lawson Environmental Limited (the 'Organisation') is committed to reducing any negative Environmental Impacts which may arise from its business activities to the lowest practicable level and promoting environmentally sustainable operations.

It is the Organisation's objective to carry out all measures reasonably practicable to meet, exceed or develop all necessary or desirable requirements and to continually improve environmental performance through the implementing of the following;

- a) Access and regularly re-assess the environmental effects of the Organisation's activities
- b) Training of employees in environmental issues
- c) Minimise the production of waste
- d) Minimise material wastage
- e) Minimise energy wastage
- f) Promote the use of recyclable and renewable materials
- g) Reduce/and/or limit the production of pollutants to water, land and air
- h) Control noise emissions from operations
- i) Minimise the risk to the general public and employees from operations and activities undertaken by the organization

This Policy is communicated to all employees, suppliers and sub-contractors and is made available to the public.
